Our values...

Make everything authentic, with honesty and joy. We are supporting our local community and give back. We prefer local vendors, small and bigger markets in our area. For our services we prefer small family companies, this way we support the community and give back

Why Nea Peramos...

Its been almost 3 years, we moved our base from Alimos Athens to Nea Peramos. The busy marina was never a nice place to work or for our clients to go on board, we found better services a more friendly and welcome marina for our clients to experience Greece from day 1.
